Vol. 32, No.1

ENVIRONMENTAL REVIEWS COMPLETED

Project reviews completed from June 16 to July 15 are listed below. These projects have been screened through the internal environmental review process for potential impacts on wetlands, threatened and endangered species, and cultural and archaeological resources, etc. Through the review process it was determined that environmental impacts have been kept to a minimum and mitigated as necessary, that they do not meet the criteria for significant actions as defined in the environmental review process, and may proceed. All these projects are in compliance with the Endangered Species Protection Act, Natural Areas Preservation Act, Interagency Wetlands Policy Act and cultural resource statutes.

- **Carlyle Lake State Fish & Wildlife Area**

2202673—This project proposes to clear sediment from drainage ditches and deposit the sediment onto adjacent tenant ag fields. Project originally submitted for review on 08-16-2021.

- **Illinois & Michigan Canal at Marseilles**

2214502—This project will permit a neighboring landowner to cross the canal property for an electric utility hookup. Project originally submitted for review on 6-16-2022.

- **Lincoln's New Salem State Historic Site**

2214622—This project will install a habitat restoration sign on the Cardinal Trail. Project originally submitted for review on 6-21-2022.

- **Illinois & Michigan Canal**

2007627—This amended review updated original project specifications. This project will permit the Will County FPD to design and construct a trail and bridge connection. Project most recently submitted for review on 12-09-2021.

- **Tunnel Hill State Trail**

2300019—This project will permit Ameren access to one of their easements across the property for structure replacement. Project originally submitted for review on 7-01-2022.

- **Mazonia Braidwood State Fish & Wildlife Area**

2214938—This project will renovate and improve existing facilities for public boat access at the site. Project most recently submitted for review on 6-28-2022.

- **Kickapoo State Park**

2214951—This project will construct a new vault toilet at red Ear Campground. Project originally submitted for review on 6-28-2022.

- **Illinois Beach State Park**

2214914—This project will instruct a small repair for pooling water including a new curb inlet and manhole structure. Project originally submitted for review on 6-27-2022.

- **Illinois & Michigan Canal at Romeoville**

2103080 and 2008952—This project will permit ComEd to install new overhead lines and conduct associated soil borings. Project most recently submitted for review on 6-16-2022.

- **Cache River State Natural Area**

2200373—This project release target tree species by conducting canopy thinning. Project originally submitted for review on 7-09-2021.
