

## ENVIRONMENTAL REVIEWS COMPLETED

Project reviews completed from August 15 to September 15 are listed below. These projects have been screened through the internal environmental review process for potential impacts on wetlands, threatened and endangered species, and cultural and archaeological resources, etc. Through the review process it was determined that environmental impacts have been kept to a minimum and mitigated as necessary, that they do not meet the criteria for significant actions as defined in the environmental review process, and may proceed. All of these projects are in compliance with the Endangered Species Protection Act, Natural Areas Preservation Act, Interagency Wetlands Policy Act and cultural resource statutes.

- **Cache River State Natural Area**

1502599 - This project involves demolition of a one-story house, pole barn, and a barn. These buildings are in a dilapidated condition and are a public hazard. Project was submitted for review on 8-8-14.

- **Starved Rock State Park**

1503069 - This project involves installing fiber optic cable from Route 178 to the lodge. Project was submitted for review on 8-29-14.

- **Mississippi River State Fish & Wildlife Area**

1500013 - This project involves reconstructing the Batchtown Boat Access ramp. Project was submitted for review on 7-1-14.

- **Washington County State Conservation Area**

1503943 - This project involves removal and repair of a broken pipe. Project was submitted for review on 9-11-14.

- **Giant City State Park**

1502650 – This project involves repairs to Indian Creek Trail. Approximately 150 linear feet of boardwalk, 6' wide and 30' high, will be installed in the flood prone area of the trail. Project was submitted for review on 8-22-14.

- **Fort Massac State Park**

1503075 - This project involves the construction of a paved basketball court on the site of the former maintenance headquarters. Project was submitted for review on 8-29-14.

- **North Point Marina**

1503425 – This project involves repair/replacement of a fire hydrant on inbound 7<sup>th</sup> Street. Project was submitted for review on 9-4-14.

- **North Point Marina**

1503435 – This project involves construction of a storage garage in an area currently used for outside storage. Project was submitted for review on 9-4-14.

- **Horseshoe Lake State Fish & Wildlife Area**

1502657 - This project involves construction of a temporary causeway for access to the river pier on the south side. The access is necessary for the IL Route 178 bridge replacement project. Project was submitted for review on 8-22-14.

- **Rock Island State Trail**

1503178 – This project involves constructing a trail from the trail head parking lot to an adjacent subdivision. Project was submitted for review on 8-18-14.

- **I&M Canal State Trail**

1501512 – This project involves installation of a culvert in the I&M Canal prism to develop a trail crossing between Canal Road and the canal trail. Project was submitted for review on 8-4-14.

- **World Shooting & Recreation Complex**

1503154 – This project involves construction of campground host pads and site improvements. Improvements include: electric, water, sanitary, paved road, aggregate temporary check-in parking lot, concrete parking pads, concrete walkway, shelter, storage building, etc. Project was submitted for review on 7-31-14.

- **Redwing Slough State Natural Area**

1503060 – This project involves excavation and repair of an existing petroleum pipeline. Project was submitted for review on 8-29-14.

- **Rend Lake State Fish & Wildlife Area**

1405236 – This project involves creation of a wetland on Rend Lake Refuge. The area has trees on three sides of it and offers good thermal protection for waterfowl during the winter months. Project was submitted for review on 10-10-13

- **Sanganois State Fish & Wildlife Area**

1500443 – This project involves demolition of the site residence. Project was submitted for review on 7-11-14.

- **North Point Marina**

1502430 – This project involves installation of a new sewer pipe for the service building. Project was submitted for review on 8-19-14.
