**ENERGYPRO®
LIMITED PAY ON BEHALF PROVISION -
SECTIONS IA AND IC**

This endorsement modifies the insurance provided under the EnergyPro® Control Of Well Insurance Form.

If a Preferred Well Control Provider is not hired as described below or the other terms and conditions of this endorsement are not met, this endorsement will not apply and the terms and conditions of the EnergyPro® Control Of Well Insurance Form apply as if this endorsement were not part of this Policy.

- 1. The following replaces Paragraph 1. COVERAGE of SECTION IA:

SECTION IA - CONTROL OF WELL INSURANCE

1. COVERAGE

The Company agrees, subject to the Combined Single Limit of Insurance shown in Item 7.A. of the DECLARATIONS and the other terms and conditions of this Policy, to pay on behalf of the Insured the actual costs and expenses reasonably incurred by the Named Insured "operator" for the following operations:

- a. Operations to regain or attempt to regain control of any "well insured" which becomes a Well Out Of Control as defined in Paragraph 2.a. of this SECTION IA, but only such costs or expenses that are incurred until the "well insured" becomes a Well Brought Under Control as defined in Paragraph 2.b. of this SECTION IA; and
- b. Operations to extinguish or attempt to extinguish:
 - (1) A fire above the surface of the ground or water bottom for any "well insured", or from any other "well" which is burning as a direct result of "well insured" becoming a Well Out Of Control; or
 - (2) A fire above the surface of the ground or water bottom which may endanger a "well insured";

but only if:

- a. The Named Insured "operator" hires a Preferred Well Control Provider to perform all or part of such operations and retains such Provider in that capacity until the "well insured" becomes a Well Brought Under Control as defined in Paragraph 2.b. of this SECTION IA;
- b. The alleged Well Out of Control for which coverage is sought under this endorsement is reported to the Company within 48 hours after first becoming known to the Named Insured "operator"; and
- c. The Company agrees with the Named Insured "operator", and confirms such agreement in writing, that the alleged Well Out Of Control is a Well Out Of Control as defined in Paragraph 2.a. of SECTION IA of this Policy.

2. The following replaces Paragraph c. of Paragraph 2. DEFINITIONS of SECTION IA, but only for this endorsement:

c. Costs or Expenses

Costs or expenses covered under this Policy includes costs of materials and supplies required, services of a Preferred Well Control Provider, and services of individuals or firms specializing in directional drilling and other operations necessary to bring the Well Out Of Control under control including costs and expenses incurred at the direction of regulatory authorities to bring the Well Out Of Control under control, and other expenses included within Paragraph 1. of this SECTION IA.

3. The following is added to Paragraph 2. DEFINITIONS of SECTION IA, but only for this endorsement:

For the purposes of this endorsement, Preferred Well Control Provider means the following:

Wild Well Control, Inc.
Drilling Technology Center
2202 Oil Center Court
Houston, TX 77073
Phone: 281.784.4700

4. The following replaces Paragraph 1. COVERAGE of SECTION IC, but only with respect to an "occurrence" that gives rise to a claim which would be recoverable under SECTION IA (as SECTION IA is replaced by Item 1. of this endorsement) if the Insured's Retention applicable to SECTION IA shown in the DECLARATIONS of this Policy were nil:

SECTION IC - POLLUTION AND CLEAN UP

1. COVERAGE

The Company agrees, subject to the Combined Single Limit of Insurance shown in Item 7.A. of the DECLARATIONS and the other terms and conditions of this Policy to:

- a. Pay on behalf of the Insured all sums that the Insured will by law, or under the terms of any oil or gas or thermal energy lease or license, be liable to pay for the cost of remedial measures, or as damages for "bodily injury" or loss of damage to or loss of use of property, caused directly by "pollution" above the surface of the ground or water bottom and arising from a "well insured";
- b. Pay on behalf of the Insured the cost of, or the cost of any attempt at, removing, nullifying or cleaning up "pollution" emanating from a "well insured", including the cost of containing or diverting the "pollution" or preventing the "pollution" from reaching the shore; or
- c. Indemnify the Insured for costs and expenses incurred in the defense of any claim, alleging any sums or costs covered under Paragraph a. or b. above, resulting from actual or alleged "pollution" arising from a "well insured", including "defense costs", and costs and expenses of litigation awarded to any claimant against the Insured, but the inclusion of the above costs and expenses does not increase the Combined Single Limit of Insurance shown in Item 7.A. of the DECLARATIONS of this Policy;
provided that such "pollution" results from an "occurrence" that:

- a. Takes place during the period of this Policy (including any continuation thereof provided for by Paragraph 8.b. of the COMMON CONDITIONS - SECTION I);
- b. First became known to the Insured or the "operator" of the "well insured" within 90 days of its commencement;

- c. Was reported to the Company within 180 days after first becoming known to the Insured or the "operator" of the "well insured"; and
- d. Gives rise to a claim which would be recoverable under SECTION IA of this endorsement if the Insured's Retention applicable to SECTION IA shown in the DECLARATIONS of this Policy were nil.

5. The following replaces Paragraph 10. DEFENSE of COMMON CONDITIONS - SECTION I, but only with respect to SECTION IC of this endorsement.

10. DEFENSE

The Company will not assume the handling or control of the defense or settlement of any claim made against the Insured, but the Company will have the right, but not the duty, to participate with the Insured in the defense and control of any claim that may be recoverable in whole or in part under this Policy.

The Company will not pay any "defense costs" unless the prior written consent of the Company was obtained before those "defense costs" were incurred.

6. The following is added to Paragraph 10. NOTICE OF LOSS of the GENERAL CONDITIONS:

This Paragraph 10. does not change or eliminate the requirement for reporting an alleged Well Out Of Control for which coverage is sought under the ENERGYPRO® CONDITIONAL PAY ON BEHALF PROVISION - SECTIONS IA AND IC endorsement.

7. The following is added to SECTION I:

Regardless of any provision to the contrary in any of the following endorsements that are part of SECTION I of this Policy, any cost or expense covered under such endorsement will apply on a pay on behalf of basis:

- a. EVACUATION EXPENSES COVERAGE
- b. REMOVAL OF WRECKAGE AND DEBRIS COVERAGE
- c. RESULTANT PLUGGING AND ABANDONMENT EXPENSES COVERAGE
