Re: High Volume Horizontal Hydraulic Fracturing Repristration

Gentlemen,

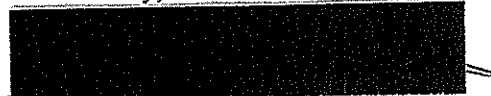

This letter is to notify you that your HVHHF Registration form, which was deemed received on February 8, 2016, has been approved. According to the Hydraulic Fracturing Regulatory Act and Associated Rules, you may now submit a High Volume Horizontal Hydraulic Fracturing ("HVHHF") Permit Application 30 days after the above receipt date.

Please be aware that you must submit a HVHHF Permit Application and receive an approved permit from DNR prior to beginning any HVHHF activities. Your HVHHF Permit Application will not be considered filed until one business day after all applicable documents are received by the Department. You will receive notice from this office when the application is considered filed.

Your registration number is HVHHF-00003, please use this identifier with your application. For detailed instructions and forms go to: <http://www.dnr.illinois.gov/OILANDGAS/Pages/Hydraulicfracturing.aspx>

Please email any questions or requests for assistance to: DNR.IHFHelp@partner.illinois.gov.

Sincerely,

Douglas Shutt
Permitting & Technical Services Unit
