

NOTICE

Trapper Drawing

Shabbona Lake State Park

Kishwaukee River SFWA

Shabbona Lake State Park will be accepting applications for the fall/winter trapping programs at both Shabbona Lake State Park & Kishwaukee River. Applications will be accepted until noon on October 14, 2020. At 1:00pm the drawing will be held at the park office. One trapper and an alternate name will be drawn for each site, in the event the first trapper can't fulfill his/her obligation. Trapper need not be present at the time of the drawing. Winning names will be notified. Park regulations and statewide regulations will apply. For further information contact Shabbona Lake State Park at 815-824-2106 or michelle.petragallo@illinois.gov.
