Section 1050.10 Official List

The lists appearing in Sections 1050.30 and 1050.40 have been adopted by the Illinois Endangered Species Protection Board as the Official Lists of Endangered and Threatened Flora of Illinois.

(Source: Amended at 22 Ill. Reg. 21902, effective December 3, 1998)

Section 1050.20 Definitions (Repealed)

(Source: Repealed at 39 Ill. Reg. 7993, effective May 19, 2015)

Section 1050.25 Criteria Used For Listing

- a) A species shall be included on the Official List when one or more of the following criteria exists:

- 1) Species or subspecies designated as federally endangered or threatened.
 - 2) Species proposed for Federal Endangered or Threatened status that occur in Illinois.
 - 3) Species that formerly were widespread in Illinois but have been nearly extirpated from the State due to habitat destruction, collecting, or other pressures resulting from the development of Illinois.
 - 4) Species that exhibit very restricted geographic ranges of which Illinois is a part.
 - 5) Species that exhibit restricted habitats or low populations in Illinois.
 - 6) Species that are significant disjuncts in Illinois, i.e., the Illinois population is far removed from the rest of the species' range.
- b) A species will be removed from the Official List if it no longer fulfills one or more of the criteria in subsection (a), except for a species that no longer fulfills the criteria because it no longer grows in Illinois. The determination will be made pursuant to Section 7 of the Endangered Species Protection Act [520 ILCS 10/7].

Section 1050.30 Endangered Flora of Illinois

All federally designated endangered or threatened animal species and subspecies have been automatically listed as endangered or threatened under the Illinois Endangered Species Protection Act and placed on the Illinois List by the Board and are protected under the Act even though their names do not appear in this Section. Only those federally designated endangered or threatened animal species and subspecies known to occur in Illinois are designated as Illinois-endangered or Illinois-threatened by the Board and their names appear in this Section. Users should refer to the US Fish and Wildlife Service website at <http://www.fws.gov/endangered/> for a complete listing of all federally designated endangered and threatened species and subspecies.
