Section 130.40 Definitions

"Barracks" means a temporary housing structure characterized by its plainness and minimal amenities offered.

"Camp" means a single family or group occupying one site within a Departmentally managed site, established and maintained for the sole purpose of camping, including the use of tents, trailers or any other type of camping device.

Where campgrounds are laid out in defined sites, in no case will 2 or more tent trailers, travel trailers, self-propelled mobile campers, pick-up campers, or any combination thereof be considered a single camp.

Where campgrounds are not laid out in sites, the number of camps will be determined by the capacity of the existing sanitary facilities, parking areas, soil and turf conditions, potential social conflicts between campers due to crowding, and similar factors as determined by Department staff.

"Camp Shelter" means the portable equipment used by the single family or group for bedding and housing. If more than one camp shelter is required for the single family or group, they shall occupy separate campsites. (Exceptions: Minor children (under 18) sleeping in sleeping bags or in a tent outside the family shelter are considered occupants sharing the same shelter. A group of no more than 4 occupants may occupy up to 2 or 4 one-man tents on a single campsite.)

"Department" means the Illinois Department of Natural Resources.

"Premium Campground" means a designated camping facility that has a preponderant history of consistently operating at capacity or has unique amenities, such as automated trap and skeet ranges, that are not typically offered at other State camping facilities. The following sites are designated as Premium Campgrounds: Chain O'Lakes State Park, Illinois Beach State Park, Kankakee River State Park, the World Shooting and Recreational Complex (WSRC), Rock Cut State Park, Shabbona Lake State Recreation Area and Starved Rock State Park.

"Single Family" means either or both parents and unmarried children. Other family members will be considered part of the family as long as they occupy the same shelter, but not to exceed a total of 4 adults (18 years of age or older).

"Single Group" means unrelated adults (18 years of age or older) with or without children occupying the same shelter. This group shall not exceed 4 occupants (except for Rent-A-Camp sites with an extra large tent, which shall not exceed 8 occupants and a campground cabin, which shall not exceed 6 occupants).

Section 130.50 Registrations

- a) A permit will be issued and fees collected at the time the camp is established with the camp shelter in place or as soon as possible thereafter (see Sections 130.70 and 130.80). A responsible adult (18 years of age or older) from the camping party must register for the party and thereby acknowledge compliance with the rules and regulations of the park for the party.
- b) The camping attendant has the authority to assign sites.
- c) Curfew: the provisions of Section 1 of the Child Curfew Act [720 ILCS 555/1] with reference to curfew for persons under the age of 17 years are in effect on Department of Natural Resources' properties.
- d) No camping equipment shall be placed on any campground site while that site is occupied by another camping party. A person acquiring a permit must have camp shelter at the time of registration and must occupy the site at that time.
- e) In "emergency situations", the camping attendant may designate an area and charge a fee commensurate with facilities provided (see Section 130.70).

- f) Reservations will be accepted at selected sites offering reservation service. A \$5 non-refundable fee must be submitted for each site reserved. The full amount of the camping fee and utility fee (if applicable), in addition to the \$5 per campsite non-refundable reservation fee, is required at the time reservation is made. The Department may set, by public announcement, minimum stay requirements and reservation cut-off dates. Cancellations made after the reservation cut-off dates will be subject to loss of one night's camping and utility fee (if applicable).

(Source: Amended at 34 Ill. Reg. 10791, effective July 16, 2010)

Section 130.60 Permits, Extensions and Time Limits

- a) A camp permit may be issued for a period not to exceed 14 consecutive nights between the dates of May 1 through September 30. Persons are eligible to camp at a specific Department of Natural Resources' facility for a maximum of 14 nights in a 30 day period between the dates of May 1 through September 30. During this period, sites with designated long term campsites can allow campers to register for up to 30 days in a 45 day period. The 30 and 45 day period starts from the first day the person actually obtains a bona fide camping permit and the camping equipment involved is subject to these limitations also. From October 1 through April 30, a camping permit may be issued for an unlimited number of nights during this time period.
- b) Exceptions to the above time limit may be made in the following instance: In bona fide emergency cases involving serious illness or accident which makes compliance with the rules impossible and only for the duration of the emergency - the burden of proof is on the permittee and the Site Superintendent should be satisfied by investigation or inquiry that facts in the case warrant consideration before granting an extension.
- c) During periods when a vacancy occurs in the reservation schedule at the Pere Marquette group camps, day use shall be allowed during a twelve-hour period beginning at 9:00 a.m. and ending at 9:00 p.m. Reservations will be made by application to the site superintendent.
