

Illinois Department of  
**Natural Resources** **MEMORANDUM**

To: Director Colleen Callahan  
From: Director Tim Tyler, OLE  
Date: July 17, 2021  
Subject: Conditions on the Middle Fork Vermilion River

Central Zone Acting Commander John Williamson advises that swift current, floating debris, submerged structures and high-water level conditions are significantly hazardous to navigation on the Middle Fork Vermilion river from the Illinois/Indiana State line to the town of Oakwood. The conditions are also treacherous for emergency service personnel called upon to rescue persons involved in boating mishaps. Vermilion County Sheriff Patrick Hartshorn concur with the assessment.

The Illinois Department of Natural Resources has authorization to designate Restricted Boating Areas when navigation is significantly dangerous.

**Section 2030.80 Hazardous Navigation Conditions - Designated Restricted Boating Areas**

In the event that the Department of Natural Resources determines the presence of conditions that make navigation of a body of water significantly dangerous to the public, the Director of the Department of Natural Resources may, in coordination with the federal government, designate Restricted Boating Areas on any affected body of water within the jurisdiction of the State of Illinois. This designation shall be made by public announcement in local media and by posting at local public boat launches and marinas, and the restricted area shall be physically marked by buoys, signs, manned watercraft or yellow police tape. This designation will remain in effect until the Director of the Department of Natural Resources determines that navigation is no longer significantly dangerous to the public, but in no case shall the designation remain in effect longer than 90 days. Recision of the Restricted Boating Area designation shall be publicly announced in local media and posted at local public boat launches and marinas and any markings shall be removed.

(Source: Added at 29 Ill. Reg. 15550, effective September 27, 2005)

I recommend a Restricted Boating Area (recreational vessels only) be implemented on the Middle Fork Vermilion River from the Illinois/State line to the town of Oakwood effective at 4:00 p.m. on 07/17/2021. If you approve, please sign below and the Office of Law Enforcement will coordinate the implementation of the Restricted Boating Area designation with the United States Coast Guard and local authorities.

  
Approved By Director Colleen Callahan
