ACCOUNTING BULLETIN

TO: Fiscal Officers of All State Agencies
FROM: Ellen Andres, Assistant Comptroller -
DATE: Operations June 09, 2022
SUBJECT: Instructions for Closing FY22 Expenditure Authority Accounts
NUMBER: 260

GENERAL

The current fiscal year ends June 30, 2022. Please note that appropriations for this fiscal year will lapse as of August 31, 2022. Invoices for goods or services contracted for or received prior to July 1, 2022 must be vouchered against FY22 expenditure authority accounts (both appropriated and non-appropriated). The schedule of due dates that are outlined in this bulletin will be strictly enforced by the Illinois Office of Comptroller (IOC). If a specific time is not stated along with the date, the deadline will be 4:30 PM.

REAPPROPRIATED ACCOUNTS

All vouchers payable from FY22 expenditure authority accounts that are reappropriated for FY23 must be received in the IOC by June 17, 2022. Agencies must clearly identify these on the face of the schedule and vouchers. No lapse period spending will be permitted on accounts that are reappropriated. The unliquidated portion of obligations for multi-year contracts against reappropriated accounts will be deobligated by the IOC as of June 30, 2022. Agencies should coordinate the re-establishment of these obligations in FY23 with the Obligations Unit.

POSTAGE VOUCHERS

All vouchers payable from FY22 expenditure authority accounts for the purchase of postage must be received in the IOC by June 22, 2022. To qualify as a payment against a FY22 appropriation, the postage must pertain to FY22 usage.
UTILITY BILLS

Agencies have the option of either prorating utility bills covering portions of June and July to
the proper month based upon the number of days service was provided or charging the bill
to the month and appropriate fiscal year which had the majority of serviced days. Once an
option is chosen, it must be continued in all subsequent fiscal years.

TELEPHONE BILLS

Telephone bills contain an advance charge for monthly service and charges for toll calls
made during the previous billing period. Agencies have the option of charging the entire bill
according to the fiscal year the vendor’s invoice date falls within or allocating the advance
charges according to billing date and the toll call charges according to actual toll call date.
Once an option is chosen, it must be continued in all subsequent fiscal years.

TRAVEL

Where travel at fiscal yearend crosses into the new fiscal year, agencies have the option of
charging all travel expenses incident to a specific trip to the fiscal year in which the travel
began or allocating the expenses according to the days traveled in each fiscal year utilizing
separate vouchers. If the first option is chosen, the entire trip should be submitted on a
separate voucher. Once an option is chosen, it must be continued in all subsequent fiscal
years.

LAPSE PERIOD - VOUCHERS

From July 1, 2022 through August 31, 2022 all paper vouchers must be stamped or
otherwise marked as either “FY22” or “FY23” to clearly designate the fiscal year. The fiscal
year indicator should be placed on the upper right-hand corner of each voucher. For
paperless vouchers, “FY22” or “FY23” should be placed on the agency file balance report.
All paper vouchers covering goods or services to be paid from FY22 expenditure authority
accounts during the lapse period should be stamped in a prominent place, “Contracted for
Prior to July 1.” For paperless vouchers, the statement “Contracted for Prior to July 1” should
be stamped on the agency file balance report. All transactions submitted on a file must
be from the same fiscal year.

Lapse period expenditures are limited to those liquidating liabilities for goods and services
contracted for prior to July 1, 2022.

All vouchers must contain beginning and ending dates of service. Vouchers citing a contract
must contain beginning and ending dates of service that are within the terms of the contract.

All vouchers must contain a Proper Billing Date, if applicable.

All vouchers payable from FY22 expenditure authority accounts must be received in
the IOC by August 23, 2022. Exception processing may be available for a limited
amount of time following this deadline. Agencies that fail to meet the August 23rd deadline
should reach out to the IOC to inquire about the availability of exception processing prior to
referring a vendor to the Court of Claims.
**PROFESSIONAL OR ARTISTIC SERVICES VOUCHERS**

Any service which involves professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding (including contractual employees) must be performed by June 30, 2022 to be charged against the FY22 appropriation.

Any voucher for professional or artistic skills, or personal services submitted with a service date beyond June 30, 2022 will be ineligible for payment from FY22 and will be returned to the agency.

**LAPSE PERIOD - OBLIGATIONS**

The reconciliation of your obligation records is extremely important through the closing of this fiscal year. Timely reconciliation of your records can ensure timely processing of your payments.

From July 1, 2022 through August 31, 2022 all contract related documents must be stamped or otherwise marked as either “FY22” or “FY23” to clearly designate the fiscal year. The fiscal year should be placed on the upper right-hand corner of the document.

Obligations established against FY22 expenditure authority accounts after June 30, 2022, must represent liabilities outstanding at June 30, 2022 (i.e., financial obligations for goods or services contracted for or received prior to July 1, 2022). In addition, all FY22 CODs filed after June 30, 2022 should be stamped “Contracted for Prior to July 1.”

Outstanding obligations at June 30, 2022 may be canceled or decreased during the lapse period. Outstanding obligations representing actual contractual liabilities may be decreased or canceled only if such notice is accompanied by a contract amendment reflecting the corresponding decrease or cancellation. Contractual liabilities may also be increased during the lapse period as long as the increase is relevant to the original contract and is accompanied by a contract amendment executed prior to July 1, 2022, increasing the contract amount.

If an amendment to increase an FY22 contract is not fully executed prior to July 1, 2022, an Intent Affidavit is required pursuant to SAMS Procedure 15.20.85. The affidavit must state that the agreement or amendment was agreed to on or before June 30, 2022 and explain why it was not executed on or before June 30, 2022. An Intent Affidavit is required from the party (vendor and/or agency) who failed to sign the agreement or amendment before the fiscal year ended. If both the vendor and agency signed after June 30, 2022, affidavits must be submitted for both the vendor and agency.

All obligation increases, decreases, establishments, and cancellations that affect FY22 processing, must be received in the IOC by **August 17, 2022**.

**LAPSE PERIOD – TRANSFERS, CORRECTION REQUESTS, RECONCILIATIONS, AND GOVERNOR’S RELEASES**

All Appropriation Transfers, Expenditure Transfers, Object Correction Requests, Obligation Reconciliations and Governor’s Releases that affect FY22 processing must be received in the IOC by **August 23, 2022**.
FY23 VOUCHERS AND OBLIGATIONS

Expenditures for goods and services contracted for after June 30, 2022 must be charged against FY23 expenditure authority accounts and cite obligations established in the FY23 accounts. All transactions submitted on a file must be from the same fiscal source.

RECEIPTS AND REFUNDS

Receipts received prior to 11:00 AM, June 30, 2022, will be processed as FY22 transactions. All receipts received after that time will be processed as FY23. All refunds that affect FY22 processing must be received in the IOC by August 23, 2022.
