subject: Duck Stamp Committee Action – Canada Projects Only  

The State Duck Stamp Committee met on February 10, 2022 to review three Migratory Waterfowl Stamp Fund grant applications for funding through the Special Wildlife Funds Grant Program for 2022.  

For Fiscal Year 2022 there will be: $500,000.00 in funding  

• $352,500 available for work in Saskatchewan  
• $147,500 available for work in Manitoba  

After review of the proposals, and in-meeting presentations by the applicants, the Committee recommends the following funding levels.
