Subject: Payment for EOR searching contract.

Dorothy Hosto has fulfilled the conditions of her contract with IDNR in searching for, locating, mapping and GPSing endangered and threatened plant species not reported for the past ten years. All requested data collected has been received by me and I approve payment for fulfillment of the contract.

I have retained one copy of the data accumulated during the study and I have passed the second copy on to the Natural Heritage Data Base group for incorporation into the Natural Heritage Data Base on threatened and endangered plants.

RE: 05-L19W

Dear Mr. Dolbeare:

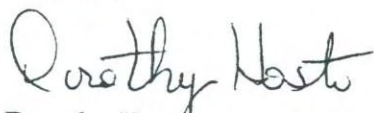

As agreed upon in the September 6, 2005 contract for Updating of Historical Plant Species Records Contained in the Natural Heritage Database, I have completed my search for species located on the element occurrence records. After reviewing records and mapping directions, I then proceeded to re-locate the species at the locations described on the element occurrence records for Bond, Fayette, and Macoupin Counties. Listed below are the sites and dates visited.

Site	Date
Cemetery approx 0.5 m E of Butler	09/11/05
Sorento Cemetery	09/11/05
Road side South of Donnellson	09/11/05
Road side W of Mulberry Grove	09/24/05
Roadside E of Mulberry Grove	09/24/05
E ROW of ICRR 3.5 m N of Ramsey	09/24/05
S Bank of Moccasin Creek 4.25 m S Beecher City	09/25/05
Wooded Bank of Cedar Creek	09/25/05
Along Richland Creek 5 m S Shelbyville	09/25/05
E ROW ICG RR 3 m NE of Carlinville	10/16/05
NE Corner of Combes Cemetery E of Plainview	10/16/05

30 hours at \$70.00 per hour was spent on the project for a total of \$2,100.00. Payment may be sent to the above address under social security number 347-44-9887.

Thank you for the opportunity to help in locating Threatened and Endangered Plant Species in the Illinois Natural Areas of Bond, Macoupin and Fayette Counties.

Sincerely,

Dorothy Hosto
