

2020 SPRING WILD TURKEY HUNTING INFORMATION SHEET

Your Spring Wild Turkey Hunting Permit entitles you to participate in the privilege of wild turkey hunting. Please review this information to ensure that you comply with all of the wild turkey hunting regulations. While hunting, please respect the rules of good sportsmanship and the property of others. Have a safe and successful hunt.

SPRING TURKEY HARVEST REPORTING

Successful hunters must register their harvest by 10 p.m. on the same calendar day as the turkey was taken by using our automated check-in system as below:

BY TELEPHONE (toll-free): 1-866-452-4325 (1-866-IL-CHECK) OR

ONLINE: <http://www.il.wildlifelicenses.com/harvestReport/harvestReport.php>

We hope you are pleased with the ease and convenience of this system.

Please have a pen/pencil on hand (an extra-fine-tipped permanent marker works best). You will be given a 10-character confirmation number which you must write on the leg tag (this serves as proof you have checked in your harvest). When reporting harvest, hunters will be asked to provide a variety of information to assist biologists in managing Illinois' turkey population. Please look over the questions listed on the back of your permit prior to reporting your harvest.

TAGGING INSTRUCTIONS: *Immediately upon kill, and before the turkey is moved, transported, or field dressed, the hunter must properly attach the temporary harvest tag to the leg. The tag must remain attached to the leg of the turkey until it is at the legal residence of the person who legally took or possessed the turkey and it has been reported via internet or telephone.*

PERMIT COMPLETION: Before hunting, you must sign your permit. You must carry the completed permit, along with your Hunting, Sportsman's, Youth, or Apprentice License and Habitat Stamp (unless exempt), while hunting wild turkey.
