Mississippi River SFWA

- There will not be a manned check station on the Mississippi River State Fish & Wildlife area this year for the 2020 Waterfowl season.
- Hunting areas that traditionally have a manned check station, will have a hunter card drop box placed where the check station is normally placed; except for Batchtown.
- Batchtown drop box will be located at the Batchtown Sportsman Club Boat Ramp.
- Hunters will go to the drop box each day and retrieve a blank Harvest Card, fill it out, then take it to the blind with them.
- Hunters are required to fully fill out all information including names, addresses, hunt hours and the amount of birds harvested for that day, including their species and sex.
- The card is to be placed in the hunter card drop box upon completion of each day's hunt.
- Blind holders in these locations are required to have at least one registered blind builder occupy the blind 1 hour prior to legal shooting time.
- Hunting is only allowed from a registered built blinds that has passed inspection.
- Hunting is not allowed at empty blind stake sites.
- All other rules, regulations and shooting/quitting times apply for this season, please see hunter fact sheet: <https://www2.illinois.gov/dnr/hunting/FactSheets/Pages/MississippiRiverStateFishWildlifeArea.aspx>
- From a safe distance, hunters can let other daily draw hunters know what blind number they will be claiming that morning.
- If you have claimed a blind and you see someone out on the water looking for a blind, help them find one if you can. All of this will go a long way in making sure all hunters are in their blinds before shooting time and not bumping waterfowl.

- Social distancing is required for all locations.
- No congregating at hunter drop card boxes or boat ramps.
- Only one hunter will retrieve a harvest card at a time.
- Please be polite and courteous to fellow hunters while keeping mindful of social distancing guidelines.
- Areas that are affected and will have the Harvest Card Drop Box located at the normal check station location include:
 - Calhoun Point / Calhoun Point Goose Pitts
 - Godar Complex (Diamond Island, Huracan Island, Tarpie/Michael Landing)
 - The Glades
 - Stump Lake

NOTE: Batchtown hunter drop box will be placed at the Batchtown Sportsman Club Boat Ramp and will not be at the legion check station.

- Staff will record all hunters' names in that party on a sign-in/waterfowl harvest card
- Hunting parties will be assigned a lottery ball number which will be recorded on their card and hunters will receive a stake map if requested.
- Staff will keep card and ask hunting party to tune their vehicle's radio to a specific frequency for announcements, go park, and stay in vehicle (signage will direct traffic flow and list radio frequency).
- At designated draw time, staff will make daily announcements over FM transmitter and outdoor speaker.
- As staff draws a ball number, it will be announced over the system along with hunters' names.
- Selected party will pull in front of check station again and choose hunting stake from map on outside of check station (stakes are covered as they are taken).
- Hunting parties will receive their sign-in/waterfowl harvest card with their chosen stake and date stamp recorded on the back, then chosen stake will be announced.
- Hunting parties will then be required to leave the area to head to their hunting location.
- Each party must record their harvest under each respective hunter name on the card at the end of the hunt

- Hunting parties will need to place their harvest card in the lock box portion of the sign-in box at their respective launch site at the end of each day's hunt. These procedures will increase the time it takes to conduct our daily draw, but there should still be time for hunters to get to their stakes and set up while utilizing normal drawing times.
- Second drawing that normally takes place at 9:00am for late arrivals to choose any unchosen stakes from the 4:00 am drawing will **not** be taking place this year.

Shelbyville SFWA - Kaskaskia Unit (Johnathan Creek, Fish Hook & Carr Bottoms) West Okaw Unit (McGee & Dunn)

Due to the rise in COVID cases along with several other factors including but not limited to; reduction in food due to flood waters held above levee elevation until August 25th, early frost occurring on October 5th eliminating seed head on planted millet, hunters traveling in from counties with high COVID positivity rates, and levee damage (Fish Hook Subs) from flood waters Shelbyville SFWA will **NOT** conduct drawings for the 2020 season. The usual draw for October 24th and October 25th will **NOT** be held, instead the entire site will be first come first serve for the duration of the 2020 waterfowl season.

For the first two days (**October 24th and 25th**) you must fill out a provided harvest card and place on dashboard next to site windshield card. There will be drop boxes and harvest card packets at the Park Office as well as at the Fish Hook Check Station. Harvest card packets will be available around 3 am each morning, once the packets are gone so are the blinds. Each packet will include a numbered harvest card (matching the selected site) as well as site rules, maps, and GPS coordinates. Please be aware that you are still responsible for reporting all harvests on the SFWA by February 15th, 2021. We recommend that you report your harvest daily online in order to avoid being locked out or overloading the system on February 15th.

Windshield cards are still mandatory throughout the SFWA. Hunting concludes within the managed areas (Dunn, McGee, J. Creek, and Fish Hook) at 1 pm daily and all hunters must exit the managed areas by 2pm each day throughout the entire waterfowl season. All of our other regulations remain in place and will be posted at the parking lots as well as available on the [IDNR website](#). Anyone may call the office at 1-217-665-3112 or use Facebook to request maps and hunter facts sheets be mailed to their residence - please be clear and detailed if you leave a voicemail. Someone will be at the site office early to answer the phone (1-217-665-3112) on Oct 24th and 25th, however there will be very limited or no hunter/staff interaction.

Have a safe and enjoyable waterfowl season, hopefully next year we will be back to our normal operating procedures.
