

**Hennepin Canal Parkway
Archery Deer Permit Application
Illinois Residents Only**

Read all instructions before completing this form.

Please *Print!* This is a “partner” type application. You can either apply individually and have an entire zone to yourself (one name on the application), or 2 hunters can apply together (two names on the application); if their dual application is drawn, they can co-hunt the same zone during the same period. Partners do not have to hunt together on the same day(s) or even at the same time(s). An individual can only be in the drawing one time – either as a partner or an application or an individual applicant. Submittal of a name on more than one application will result in disqualification or all relevant applications. To qualify for the partner program, both names must appear on the application. **NO** substitutions allowed. If the hunter’s birthdate is prior to January 01, 1980, a hunter safety education number must be supplied.
