We recognize some people have date restrictions while others may have zone restrictions. Please rate your hunting preferences with #1 being your highest preference. If you cannot hunt during a certain date or do not want a certain zone, leave the unavailable/unwanted choices blank. Only one hunting period will be assigned to each successful applicant. Please remember that we have a high volume of hunters wanting their first choice of hunting period/zone and this is a random drawing with allotment going to the first ranked opportunity. Please be flexible.
