APPLICATION DATES

You must apply online August 1 through August 31. The lottery will take place in early Sept. and all applicants will need to check the Reservation Inquiry System: www2.illinois.gov/dnr/hunting/Pages/UplandGame.aspx on the IDNR website to see if they received a permit.

- ▶ Each applicant must check the website after the lottery to see if they received a permit (after Sept. 7)
- ▶ IDNR will NOT mail out permits
- ▶ Successful applicants must print their permit

APPLICATION INFORMATION

Applications for the Free Upland Game Hunt Permit are free and must be made online, through the Upland Game Hunting section of the IDNR website: www2.illinois.gov/dnr. If you do not have a computer, access one through a relative, friend, neighbor or local Public Library. Paper applications are no longer available. Most questions regarding this application process can be answered by reviewing the information, instructions and hunting dates/open areas on this document.

You may choose up to six different hunt areas with four hunting dates for each hunt area choice. You may list the same hunt area more than once to increase your choice of dates. We encourage you to use all 24 hunt area/date choices to increase your chances of drawing a permit.

- ▶ Applicants may apply once and receive 1 permit/year.
- ▶ Illinois residents have preference.
- ▶ Permits are not transferable

HOW TO FIX ONLINE APPLICATION ERRORS

If you (1) made a mistake on any portion of your application (DO NOT REAPPLY), (2) mistakenly applied twice or (3) need to cancel an application please notify us as soon as possible – there are two ways to do this:

1. Email us at DNR.Permits1@illinois.gov – you will need to include your name, birthdate and a detailed explanation of what needs to be changed (example: please change my first choice area from Sibley to Manito).
2. Fax us at 217-782-5016 – on the receipt you printed out simply cross out the incorrect information and write the correct information next to it. Sign the receipt and fax it to us – Attn: Permit Dept. No cover sheet is needed.

SUCCESSFUL APPLICATIONS

Successful Applicants must print their permit from the Reservation Inquiry System. They are responsible for knowing the boundaries of the hunting area (check the Hunter Fact Sheets available on the IDNR website) and any special restrictions for their site and permit (eg. Permits for some sites may be for rabbit only after quail and pheasant close or limit quail harvest to 4).

- ▶ Permit holders must carry their permit while hunting
- ▶ Permit holders must report harvest
