

HSRPA Case No: _____
 (to be assigned by IDNR)

**APPLICATION FOR PERMIT TO CONDUCT
 PRESERVATION WORK IN A HISTORIC ILLINOIS CEMETERY**

This application applies only to historic cemetery preservation projects to probe the ground to locate and recover buried grave markers and to clean, repair, or reset grave markers in an unregistered cemetery. This application is not for scientific research relating to any other federal, state, or private undertaking. If human remains are found during any stage of the probing or restoration, all work must cease. You must notify the county coroner and our office within 48 hours of the discovery by authority of the Illinois Human Skeletal Remains Protection Act (HSRPA) (20 ILCS 3440).

Permit applicants are strongly encouraged to refer to the "Illinois Historic Cemetery Preservation Handbook: A Guide to Basic Preservation" (available for free at <https://www2.illinois.gov/dnrhistoric/Preserve/Cemetery/Pages/default.aspx>) to help guide you through your preservation project.
