Form to Request Review of Plans and Reports by the Illinois EPA under the Site Remediation Program (SRP) (Form DRM-2)

General Information

A Remediation Applicant requesting review of Site Remediation Program (SRP) plans and reports by the Illinois Environmental Protection Agency ("Illinois EPA") or by a Review and Evaluation Licensed Professional Engineer or Geologist ("RELPEG") must complete a DRM-2 Form. More than one plan or report may be submitted with this form.

Please ensure all required information is provided for all sections of this form. When completing this form, the letters "NA" may be used, but only if the requested information is not applicable. Justification must be stated for any failure to provide applicable requested information. This fillable form may be completed in Acrobat, a copy saved, printed, and signed before it is submitted to:

Illinois Environmental Protection Agency
Bureau of Land
Remedial Project Management Section
Site Remediation Program #24
1021 N. Grand Avenue East
PO Box 19276
Springfield, IL 62794-9276

To assist in implementing your plans or reports once they are approved by the Illinois EPA, you should keep a copy of every submittal and any relevant correspondence sent to the Illinois EPA, including correspondence received from the Illinois EPA.

*If a Review and Evaluation Licensed Professional Engineer or Geologist ("RELPEG") has been contracted to perform review and evaluation services, one additional copy of those plan(s) or report(s) must be included with the submittal. A RELPEG is a licensed professional engineer or geologist with whom a Remediation Applicant ("RA") has contracted to perform review and evaluation services under the direction of the Illinois EPA. The use of the RELPEG is an option available to an RA to obtain additional technical evaluation resources for a project. (See 58.7(c) of the Environmental Protection Act and 35 Illinois Administrative Code Part 740.235.)
