

*In order to give area residents an opportunity
to meet and discuss the current Shell
environmental investigations in Roxana with
Illinois Environmental Protection Agency staff,
we are holding ...*

Availability Sessions (Open House)

Date: Tuesday, June 21, 2011

Times: 3:00 p.m. to 5:00 p.m. Brief project presentation at 3:00 p.m.
6:00 p.m. to 8:00 p.m. Brief project presentation at 6:00 p.m.

The open house sessions will begin with brief presentations; the same information will be provided during the 3:00 p.m. and 6:00 p.m. presentations.

We hope all residents who are interested will be able to attend one session or the other.

Location: Rox Arena Auditorium
2 Park Drive, Roxana

Sponsor: Illinois Environmental Protection Agency

Format: Each session will start with brief presentations to provide an overview of the environmental investigations, what has been found and the next steps. Following these presentations, we will hold an open house or availability session.

The availability sessions are opportunities for residents to discuss issues and ask questions one-on-one or in small groups with Illinois Environmental Protection Agency representatives and other project participants.

The two public availability sessions will end promptly at their designated times of 5:00 p.m. and 8:00 p.m.

Background Information:

Residents are encouraged to review the project documents posted at the Shell web site developed for the project: <http://roxanainvestigation.urs-stl.net/>. The information is also available for review in hard copy at the Village of Roxana offices. The most current fact sheet developed by the Illinois EPA can be found at: <http://www.epa.state.il.us/right-to-know/> (listed under "Rte. 111/Rand Ave...")

Contact: For additional information about the availability sessions, please contact:
Mara McGinnis, Illinois EPA, Office of Community Relations
Phone: (217) 524-3288 or mara.mcginis@illinois.gov
