

### Correction Notice

As of September 26, 2012, the posted version of the Statement of Basis document was changed to reflect the following corrections:

The federal register citation for the Clean Air Interstate Rule accompanying the discussion in Section 1.3 of page 6;

The addition of Condition 7.5.10-3(a)(i){auxiliary boiler} in the heading and text accompanying the discussion of Condition 7.1.10-3(a)(i) in Section 3.1 at page 17;

The addition of Condition 7.4.10(b)(i)(A){fly ash processes} in the heading and text accompanying the discussion of Conditions 7.2.10(b)(i)(A) and 7.3.10(b)(i)(A) in Section 3.1 at page 21;

The removal of Condition 7.3.1 identified in Attachment 2 of the Planned Revisions to the Permit by Minor Modification.

The removal of Condition 7.1.9(d)(ii) identified in Attachment 2 of the Planned Revisions to the Permit by Minor Modification.

As of September 26, 2012, the posted versions of the Draft and Redlined CAAPP Permit resulting from the significant modification were changed to reflect the following corrections:

The addition of two permit conditions, identified as Conditions 7.4.10(b)(i)(A){fly ash processes} and Condition 7.5.10-3(a)(i){auxiliary boiler}, to the list of Conditions Changed by Significant Modification at page 2.
