Verification that No Public Hearing Will Be Held

The public comment period closed on April 24, 2020. The Public Notice specified that a public hearing would be scheduled in this matter if a timely request for a public hearing was received. However, no request for a public hearing was received during the comment period.

Pursuant to the Public Notice, the Illinois EPA is required to verify whether a public hearing will or will not be held by posting a notice on the Illinois EPA website at https://www2.illinois.gov/epa/public-notices/Pages/default.aspx. **Since a request for a public hearing has not been received, a hearing will not be held in this matter.**
