Unsewered Communities Construction Grant Program Fiscal Sustainability Plan Certification Form

Grant Applicant: _____ Grant No.: _____

A requirement of the Unsewered Communities Construction Grant Program is that each Grantee will complete a Fiscal Sustainability Plan, Asset Management Plan, or similar document addressing their long-term plan for maintaining, repairing, and as necessary, replacing the Project components at the end of their useful life.

Prior to, or in conjunction with, submittal to the Agency of the final invoice along with the final Uniform Grant Budget Template showing the actual final costs of the Project, the Grantee shall submit this completed form to the Agency.

Submit to: Illinois Environmental Protection Agency
Lanina Clark lanina.clark@illinois.gov

I certify that I am the authorized representative for the entity listed above. I hereby certify that we have developed and implemented a Fiscal Sustainability Plan, Asset Management Plan, or similar document addressing their long-term plan for maintaining, repairing, and as necessary, replacing the Project components at the end of their useful life. Upon request by the Illinois Environmental Protection Agency the Fiscal Sustainability Plan, Asset Management Plan, or similar document will be made available for review.
