Agriculture Water Quality Partnership Forum Charge

1. Steer and coordinate **outreach** and **education** efforts to help farmers address nutrient loss and select the most appropriate BMPs:
 - i. Identify needed education initiatives or training requirements for farmer and technical advisors
 - ii. Strengthen connections between industry initiatives, certified crop advisor continuing education requirements, state initiatives, and other technical service
2. BMP Tracking
3. Coordinate cost share and targeting
4. Other tools as needed (*to be discussed at future meetings*)
