Notes:

Per SSM - The Medicare report incorrectly reported non-distinct psych days under distinct psych subprovider. This in turn grossly understated the psych per diem and overstated the A&P per diem. See email and adjusted filed.

SSM DePaul is not HFS certified for psych (cos 21). IPCR only shows psych days under acute as they were billed as part of an acute stay. While the filed psych report will be accepted at this time, the final report will most likely eliminate the psych report when an updated IPCR is run.

SSM claims no ancillary or routine for psych. This is most likely due to IPCR including such amount under the acute data. At this time, psych routine has been calculated (7786032/6037)x137 based on Medicare average. No ancillary has been calculated as SSM claims there are no ancillary charges.
