### TPL/PBM Resource Code Directory

The Pharmacy Benefit Manager (PBM) codes consist of a five digit numeric resource code. The first three digits identify the company and the last two digits identify the office where the claim is to be sent for processing. Please enter the five digit PBM code as applicable in the Other Payer ID field in the COB/Other Payment segment in the NCPDP version 5.1 (340-7C).

An alphabetical listing of insuring organizations and the PBM code assigned to each is provided on the following pages. It is followed by a numerical listing, by PBM code, of the same insuring organizations
