

Appendix F – Provider Rates

The rate table below outlines rates for the core services CCSOs are responsible for delivering. CCSOs may also deliver and receive reimbursement for other community based behavioral health services they are enrolled and qualified to provide, consistent with HFS policy and billing guidance for CCSOs. Information regarding reimbursement requirements for other community behavioral health services can be found in the [CBS Handbook](#) and corresponding [fee schedule](#).

Service	Unit	On-Site Rate	Off-Site Rate
