

**Illinois Medicaid Redetermination Project (IMRP)  
Report Definitions**

<b>Status</b>	<b>Description</b>
<b>MAXIMUS</b>	
Ready for Detailed Review	Cases ready for MAXIMUS Eligibility Specialists to review
Review In Progress	Cases currently being reviewed by MAXIMUS Eligibility Specialists—includes cases being reviewed by Maximus Quality Control
Recommend Continue	MAXIMUS Eligibility Specialists have recommended a case be continued
Recommend Change	MAXIMUS Eligibility Specialists have recommended a change in the case with regard to members in case or type of coverage
Recommend Cancel	MAXIMUS Eligibility Specialists have recommended a case be cancelled
<b>State</b>	
Determination Needed	Cases that are ready for State determination and have been passed to the worker portal (This number approximates the number of cases for which Maximus has made a recommendation, but due to lags in case transmission there is almost always a small difference)
Determination In Progress	Cases currently being reviewed for final determination by State Caseworkers
Determination Continue	State Caseworkers have determined the case should continue eligibility
Determination Change	State Caseworkers have determined that there should be changes in the case with regard to members or type of coverage
Determination Cancel	State Caseworkers have determined a case should be cancelled
