

**PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING  
MEDICAL ASSISTANCE PAYMENT RATES**

**STATE OF ILLINOIS  
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

The Illinois Department of Healthcare and Family Services is proposing a change in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service on or after February 1, 2021.

The proposed change is an increase to the inpatient per diem rate for Illinois Children's Specialty Hospitals. Under this proposal, Illinois Children's Specialty Hospitals with fewer than 50 beds will have their inpatient per diem rate increased by 8%.

The Department estimates this change will increase expenditures by approximately \$1,200,000 annually. The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
