Dear Chief Financial Officer / Chief Executive Officer:

The Department's annual 2023 disproportionate share determination action notice has been posted to the Department's web site at <https://www.illinois.gov/hfs/MedicalProviders/notices/>. The required forms are available for download at www.illinois.gov/hfs/MedicalProviders/CostReports/.

As in prior years, these forms should be completed and mailed to the contact person and address specified on the form by the appropriate due date.

Completion of these forms is vital to the accurate completion of the annual determinations and could significantly impact a provider's qualification for a number of reimbursement programs administered by the Department.

If you have question, or problems downloading these files, please contact Shaw Dahman at 217/785-0710.

Sincerely,

Kathleen Staley, Bureau Chief
Bureau of Rate Development and Analysis
