PROJECT DESCRIPTION

The FY 22 Illinois State Budget includes a total of $75 million in American Rescue Plan Act (ARPA) funding for long term care providers. Uses are outlined in corresponding language in the FY 22 Budget Implementation Act (BIMP; see 305 ILCS 5/5-5.7a(7) and (8)). There are specific pass-through percentages for July, August, and September 2021 to be paid to frontline workers as follows: 50% for July, 62.5% for August, and 75% for September 2021. The remaining funding can be used for additional COVID-19-related purposes, as described.

The new funding for the financial support of workers in long term care facilities comes amidst an enduring threat to nursing facility residents and staff from the COVID-19 pandemic, as the Federal government makes plans to implement a COVID-19 vaccination requirement for nursing facility staff, immediately following the Governor’s issuance of a vaccine mandate for all workers in Illinois health care facilities, and as nursing shortages remain a concern in Illinois and across the country.

The following outlines the formula and accompanying guidelines with which ARPA funds will be distributed to skilled nursing facilities actively serving the Medicaid program as prescribed by the Illinois General Assembly.

- HFS has established a rate to distribute the $75 million using the latest available staffing data for total nurse hours across the state.
  - Each facility’s share of the $75 million distribution reflects its estimated share of total nursing hours for the most recently available quarter.
  - Staffing levels were based on nursing hours from the federal Payroll Based Journal for 4Q2020, where available.
  - Each facility will receive $4.43 per hour of nursing, at previously-observed nurse staffing levels, for each of the three months included in the $75 million distribution.

- Nursing facilities are required to spend the monthly percentage of pass-through to front line workers on the following pandemic-related uses:
  - Vaccine bonus(es) paid March 3, 2021 or later
  - Pandemic bonus pay to employees on or after July 1, 2021 (hazard, hero, premium pay and premium wages, or other temporary wage increases)
  - Temporary benefits such as day care, etc. provided July 1, 2021 or later
  - Signing bonuses for new hires paid out March 3, 2021 or later

- Nursing facilities may spend the remainder of their distributions on either the above uses or on other financial support for their workers provided on or after March 3, 2021, or other purposes permitted by paragraphs (7) and (8) of 305 ILCS 5/5-5.7a which includes purposes permitted by Section 9901 of the American Rescue Plan Act of 2021 including but not limited to:
  - Payment of education expenses to enhance direct care staff recruitment
  - Enhanced and expanded training for nursing facility staff to better achieve patient outcomes, such as training on infection control, proper personal protective equipment, best practices in quality of care, and culturally competent patient communications
  - Additional forms of pandemic-related financial support for the nursing facility workforce (to be specified by the provider)
- Costs incurred due to the COVID-19 Public Health Emergency
- Unreimbursed costs for testing and treatment of COVID-19
- Costs of COVID-19 mitigation and prevention
- Medical expenses related to aftercare or extended care for COVID-19 patients with longer term symptoms and effects

PERFORMANCE MEASURES

This project is intended to improve patient care and safety in the face of an ongoing catastrophic public health crisis, including improvements in vaccination rates, nurse staffing levels, and COVID-19 infection rates. The state has designated funds to be used for the financial support of workers in long term care facilities in light of and for the following reasons. There exists an enduring threat to nursing facility residents and staff from the COVID pandemic. The federal government has emerging plans to implement a COVID vaccination requirement for nursing facility staff. The Governor has issued a vaccine mandate for all workers in Illinois health care facilities. There are ongoing nursing shortages exacerbated by the pandemic in Illinois and across the country.

To measure performance, Grantor will use five measures: (1) vaccination rates; (2) nurse staffing levels, (3) COVID-19 infection rates, (4) total number of training hours and (5) number of employees included in training programs. Grantor will collect information on measures 1-3 through publicly available data sources published by the federal government and may supplement with information obtained through a data use agreement with the Illinois Department of Public Health. The data source for vaccination rates and COVID-19 infection rates will be COVID-19 Nursing Home Data - Centers for Medicare & Medicaid Services Data (cms.gov). The data source for nurse staffing levels will be the Staffing Data Submission Payroll Based Journal (PBJ) | CMS. Grantor may collect data regarding the total number of training hours and number of employees included in training programs from the Grantees. Grantees will be required to maintain a record of total training hours and employees and may be required to report such data to the Grantor at Grantor’s request.

Grantor may request additional information from the Grantee as needed to measure performance, e.g., to describe employee educational programs, document the number of employees supported by them, and/or to provide more detailed information about premium pay programs as outlined in Section 3 below. Grantor will notify the Grantee in writing should additional information be required.

27.1. Coronavirus State and Local Fiscal Recovery Funds Compliance. The Grant Funds awarded pursuant to this Agreement are a subaward from the State’s allocation from the Coronavirus State Fiscal Recovery Fund (“CSFRF”) established by Section 602 of the Social Security Act, 42 USC 8002. Grantee is required to comply with, and is subject to, all requirements of the CSFRF and all related rules and guidance issued by Grantor and the U.S. Department of the Treasury (“Treasury”), including, but not limited to the following:
(a) **Interest on Grant Funds.** The Grant Funds awarded pursuant to this Agreement are not subject to the requirements of the Cash Management Improvement Act and Treasury’s implementing regulations at 31 CFR Part 205 or 2 CFR 200.305(b)(8)-9. Thus, Grantee is exempt from the provisions in Paragraph 4.7 of this Agreement. As such, Grantee can deposit Grant Funds in an interest-bearing account, does not need to remit interest to Grantor or to Treasury, and is not limited to using that interest for eligible uses under this Award.

(b) **Recordkeeping Requirements.**

(i) The CSFRF guidance issued by Treasury requires a longer records retention period than is required by paragraph 12.1 of this Agreement. Therefore, the Grantee is required to maintain, for five (5) years after all funds have been expended or returned to Treasury by the State, adequate books, all financial records and supporting documents, statistical records, and all other records pertinent to this Award. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken. Grantee is responsible for ensuring all contractors and subrecipients, if applicable, adhere to these records retention requirements.

(ii) Grantee agrees to provide or make available all records related to this Award to Grantor or to Treasury upon request, and to any authorized oversight body, including, but not limited to, the Government Accountability Office (“GAO”), Treasury’s Office of Inspector General (“OIG”), and the Pandemic Relief Accountability Committee (“PRAC”).

(c) **Audits.**

(i) Grantee may not use Grant Funds for costs for audits not performed in accordance with 2 CFR 200, Subpart F. Grantee also may be subject to audits as deemed necessary by authorized governmental entities, including Treasury, the GAO, the PRAC the Treasury’s OIG and the State of Illinois Auditor General. Per Treasury Guidance, Grantee may be exempt from certain requirements in Article XV, as set forth below. The exception to CYEFR and lower audit thresholds is limited to a grantee that only receives ARPA funding.

(ii) Notwithstanding the provisions in ARTICLE XV herein:

The financial statement audit thresholds and the requirement to submit a Consolidated Year-End Financial Report set forth in Article XV do not apply to this Award for all Grantees. Further, if Grantee is a “for-profit” entity, the program-specific audit threshold and the requirement for Grantee to submit an annual audit to the Grantor in ARTICLE XV, if applicable, also do not apply. The exception to CYEFR and lower audit thresholds is limited to a grantee that only receives ARPA funding.

(d) **Civil Rights Law Compliance.** In addition to the other non-discrimination and Civil Rights law compliance required in this Agreement, Grantee also certifies it is in full compliance with the terms and provisions of all legal requirements of the Treasury relating to non-discrimination and non-discriminatory use of federal funds. These requirements include ensuring that Grantee does not deny benefits or services, or otherwise discriminate on the basis of race, color national origin (including limited English proficiency), disability, age, or sex (including sexual orientation and general identity), in accordance with the following authorities: Title VI of the Civil Rights Act of 1964 (42 USC 2000d-1 et seq.) and the Treasury’s implementing regulations, 31 CFR Part 22; Section 504 of the Rehabilitation Act of 1973 (29 USC 794), Title IX of the Education Amendments of 1972 (20 USC 1681 et seq.) and the Treasury’s implementing regulations, 31 CFR Part 28; and the Age Discrimination Act of 1975 (42 USC 6101 et seq.) and the Treasury’s implementing regulations at 31 CFR Part 23.

(e) **Reporting Requirements.** In addition to the reporting requirements set forth in this
(i) **Expenditure Category Reporting.** For the purpose of the State of Illinois’ required quarterly reports for its allocation from the CSFRF, this Award falls within the following expenditure categories (“EC”) EC 1.4, EC 1.6, EC 1.8, 1.12, EC 2.7, EC 3.5, EC 4.1 and EC 4.2. Thus, Grantee may be required to report the following information with its close-out report as directed by the Grantor if Grantor determines that such information would be required for Grantor to fulfill its reporting obligations with Treasury:

1. **Premium Pay** (both Public Sector EC 4.1 and Private Sector EC 4.2):
   - List of sectors designated as critical to the health and well-being of residents by the chief executive of the jurisdiction, if beyond those included in the Interim Final Rule and any subsequent guidance (Note: a list of sectors will be provided in the Treasury’s users’ guide);
   - Number of workers to be served;
   - Employer sector for all subawards to third-party employers (i.e., employers other than the State, local, or Tribal government) (Note: a list of sectors will be provided in the Treasury’s users’ guide); and
   - For groups of workers (e.g., an operating unit, a classification of worker, etc.) or, to the extent applicable, individual workers, for whom premium pay would increase total pay above 150 percent of their residing State’s average annual wage, or their residing county’s average annual wage, whichever is higher, on an annual basis:
     - A brief written narrative justification of how the premium pay or grant is responsive to workers performing essential work during the public health emergency. This could include a description of the essential workers’ duties, health or financial risks faced due to COVID-19, and why the recipient government determined that the premium pay was responsive to workers performing essential work during the pandemic. This description should not include personally identifiable information; when addressing individual workers, Grantee should be careful not to include this information. Grantee may consider describing the workers’ occupations and duties in a general manner as necessary to protect privacy.

(iii) **Reporting on Disadvantaged Communities Served.** For certain types of projects noted on Appendix 1 of the Treasury’s Compliance and Reporting Guidance for CSFRF (primarily for expenditures for COVID-19 Vaccination and Testing; Negative Economic Impacts and Services to Disproportionately Impacted Communities), Grantees must report on whether the project associated with this Award is primarily serving disadvantaged communities as defined by the U.S. Department of Housing and Urban Development’s Qualified Census Tract. See Treasury’s CSFRF Reporting Requirements at pp. 17, 31-32. If applicable, Grantee shall report this information in a manner requested by Grantor.

(iv) **Reporting on Evidence-Based Interventions or Program Evaluations.** Projects in the Public Health, Negative Economic Impacts and Services to Disproportionately Impacted Communities expenditure categories, as noted by Treasury, must report on the amount of Grant
Funds that are allocated to evidence-based interventions. See Treasury's CSFRF Reporting Requirements at pp. 26, 31-33. Grantee is exempt from reporting on evidence-based interventions if Grantee demonstrates that a program evaluation is being conducted. If Grantee is conducting a program evaluation in lieu of reporting the amount of spending on evidence-based interventions, the completed evaluation will be posted publicly. Grantee must provide Grantor with the following in Grantee’s evaluation:

- A description of the evaluation design;
- A list of key research questions being evaluated;
- Whether the study has sufficient statistical power to disaggregate outcomes by demographics; and
- The timeframe for the completion of the evaluation (including a link to completed evaluation if relevant).

If applicable, Grantee shall report this information in a manner requested by Grantor. Grantee also may be selected to participate in a national evaluation, which would study the Grantee’s project, as well as similar projects in other jurisdictions that focused on the same set of outcomes. In such cases Grantee may be asked to share information and data that is needed for the national evaluation.

(f) Publications. Any publications produced with Grant Funds from this Award must display the following language: “This project [is being] [was] supported, in whole or in part, by federal award number SLT-3381 awarded to the State of Illinois by the U.S. Department of the Treasury.”

(g) Protections for Whistleblowers. In accordance with 41 USC 4712, Grantee may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.

The list of persons and entities referenced in the paragraph above includes the following:
