## ICN Hacker Hour “It’s a Phishing Phrenzy”

Please join the Department of Innovation & Technology (DoIT) and the Illinois Century Network (ICN) for “Hacker Hour”, a series of free webinars focusing on cybersecurity topics. The third webinar, scheduled Thursday, June 28<sup>th</sup>, will provide information about Phishing and how to avoid falling victim to a scam. Phishing continues to be one of the most prevalent and effective threats to organizations. Learn how to protect your organization from this growing and malicious threat.

Join Jennifer Rominger, Security Awareness Professional with DoIT, as she outlines methods that all users should be aware of to avoid falling victim to scam. [Reserve your spot today!](#)

## Coming Soon! Smart Street Lighting Workshop

DoIT will host a Smart Street Lighting workshop on August 15, 2018 from 1pm – 5.30pm at 2100 West Harrison St. in Chicago, IL for Illinois municipalities and governmental entities. The workshop will provide information about the Smart Street Lighting state master contracts. State master contract vendors, Johnson Controls, Globetrotters Engineering and TEN Connected Solutions will present and there will be information on available incentives from ComEd and Ameren. Registration information will be sent in a future communication. For additional news on the Illinois Smart Street Lighting program, please visit the [website](#).

## Illinois Bicentennial - Top 200 of Illinois

The Illinois Bicentennial reminds us about the amazing things that are being BORN, BUILT & GROWN in Illinois. Among the state’s many amazing traits is the commitment of Illinoisans to improving their communities through volunteerism and philanthropy. Illinoisans can join the state’s 200<sup>th</sup> birthday celebration by choosing the 200 greatest people, places and things in state history by casting your [online vote](#). Every two weeks through the rest of 2018, the public can select the best movies, most inspiring leaders, greatest books, top businesses and much

more. By the state’s 200th birthday on December 3<sup>rd</sup>, voters will have chosen 10 favorites in 20 different categories.

### Mark your calendar for these upcoming events!

- June 28 | ICN Hacker Hour “It’s a Phishing Phrenzy”
- August 15 | Smart Street Lighting Workshop

The ICN is managed by the Department of Innovation & Technology (DoIT) and provides high-speed fiber optic broadband and IT services for K-12, higher education, public libraries, museums, state and local governments, and healthcare organizations [www.doit.illinois.gov](http://www.doit.illinois.gov).
