

ICN Content Filtering Form

Please submit the following information to your RTC to facilitate proper filtering configuration.

Institution Name:	_____
Primary Contact:	_____
Primary Contact Phone and Email:	_____

Desired Admin Name:	_____
Desired Admin Password:	_____
Desired Admin Email:	_____
Platforms: Mac, PC, etc.	_____
Are you using NAT?	_____
If Using NAT, NAT Range	_____ <i>(Usually 10.0.0.0, 192.168.x.x, etc.)</i>

IP Range to be filtered:	_____
<i>(This should be your entire range of IP addresses. You can control which nodes will and will not be filtered. If your site uses NAT, please specify the NAT pool you use.)</i>	
Number of Nodes:	_____
<i>(The number of nodes to be filtered, not necessarily the number of IP addresses. Firewalls may make the IP addresses look low, but the actual node count could be quite high.)</i>	
WCCP or Proxy mode:	_____
Do you subscribe to any "Pay For" services that require IP based authentication? <i>(circle one)</i>	
Yes	No
<i>(For example: Britannica Online, OCLC, LexisNexis, EBSCO)</i>	
If yes, please list the URL(s) that you use to access those services. _____	

<i>(RTC Staff Only)</i>	
Summarized Address Space	_____
If using WCCP, Router IP Address:	_____

Note: If you are unsure whether to choose WCCP or Proxy mode, you may want to choose Proxy.

Please contact your local RTC if you need assistance with filling out this form. Information on filtering service is available on our web site: www.illinois.net/services/filtering.
