Illinois Career Information System, ILCIS

Use the Career Information System (CIS) and learn how your interests relate to various occupations, careers, and the world of work. Then use this information to apply for jobs! Create a "My CIS Portfolio" to save your job searches, assessment results, resumes, and more.

1. Visit <https://ilcis.intocareers.org>
2. Click the IL Residents tab and select one of the four categories that best fits you.
3. Create a My CIS Portfolio and get started!

Don't forget to bookmark the CIS site and create a My CIS Portfolio so you can quickly access your information.

You can also search thousands of jobs online at illinoisjoblink.com. Our service is fast, free, and available 24/7.

For assistance with employment and training issues, contact your local Illinois workNet Center. Go to <https://www.illinoisworknet.com/locations> to find the location nearest you.

IDES is an equal opportunity employer and complies with all state and federal nondiscrimination laws in the administration of its programs. Auxiliary aids and services are available upon request to individuals with disabilities. Contact the office manager of the DES office nearest you or the DES Equal Opportunity Officer at (312) 793-9290 or TTY: (888) 340-1007.

The Illinois Department of Employment Security does not endorse any of the websites listed in this brochure and is not responsible for its content. It is the nature of the Internet that sites may change, become outdated, or disappear. Please contact des.cis@illinois.gov to report a broken link or to suggest a new website URL.

Summer Job Central 2019

Summer Job Central 2019

Visit <https://ides.portal.illinois.gov/sites/10/EIA/Publications/EIA%20Publications/SJC%202019.pdf> to click on these links.

Your summer job is a chance to try out a career while earning money. You can also make valuable contacts which will help when looking for full-time work. Apply as soon as possible because the best jobs go fast! Summer hiring can begin as early as February. Although the job market is improving it's going to be challenging again this year so also consider internships, volunteering or starting your own business as ways to get experience.

Use the Illinois Career Information System (CIS) at www.ides.illinois.gov/careerinfo to learn about how your interests may fit with occupations and how to apply for work. Set up a My CIS Portfolio and you can even create a quick resume. Use Job Search (under the Employment tab) for hints and tips.

Remember to use normal caution before giving your contact information to anyone. And be sure to try the free resources first!

How do I know where to look?
