E. General Provisions

1. Employees shall be eligible and encouraged to attend the following State Employees' Retirement System (SERS) retirement workshop sessions within the time table delineated by SERS.
   a. Investing in Your Future - a one-day introductory workshop open to employees who are under the age of 45.
   b. Education for Tomorrow’s Choices - a two-day medium range planning workshop open to employees who are five to 15 years from retirement.

2. Unless otherwise approved by the Deputy Director of Human Resources for Public Safety Shared Services, employees shall wait a minimum of three years between workshop sessions.
NOTE: An exception may be made to the three-year minimum waiting period if an employee attended the two-day Education for Tomorrow’s Choices session, and then decided he or she wanted and was eligible to retire within the next year. In that case, the employee shall be allowed to attend the Countdown to Retirement seminar.

3. If the dates of the workshops fall on the employee’s:

   b. Day off, he or she may reschedule so that it falls on a work day or attend the workshop without receiving compensation.

4. The Department shall only allow employees, excluding Retirement Coordinators, use of the A1 or WA time once per workshop session unless legislation is passed that substantially changes the retirement benefits. Retirement Coordinators may attend multiple times as part of their job training.

NOTE: Employees who are called back to the facility from a workshop session shall be allowed additional A1 or WA time to re-attend the workshop.

5. If an employee wishes to attend a workshop session more than once, he or she may do so on regularly scheduled days off or by using approved benefit time.
