I represent the 93 Illinois counties of the Midwest Region of the Laborers' International Union of North America, hereafter "Petitioner." I am writing on behalf of Petitioners to provide written notice objecting to the Illinois Department of Labor 2018 Prevailing Wage Rates, posted August 15, 2018. Notice is provided pursuant to 820 ILCS Section 130/9 and is solely limited to 130/9.

Petitioner is a labor union representing workers in Illinois; petitioner's Collective Bargaining Agreements have established prevailing wage rates for the craft of Laborers, Materials Testers and Asbestos Workers on public projects and as Laborer members are employed at the posted prevailing wage, Laborers are financially impacted by these rates.

Petitioner has assembled summaries of the errors and omissions in the 2018 prevailing wage rates published by the Department. I have attached the summaries as Exhibits for each of the three Laborers' District Councils (Great Plains, Southern & Central and Southwest Illinois).

Petitioner requests a section 9 investigatory hearing to establish the proper prevailing wage rates for the Laborer, Material Tester and Asbestos Worker classifications for the counties and regions as identified in the Exhibits attached. Petitioner includes an entry of appearance and further notes that some issues, which will be further briefed in a Petition scheduled to be delivered and filed with your Chicago office by Friday, may currently be under consideration in the St. Clair County Circuit Court case of *Oller v. IDOL, Chaviano (in his personal capacity), Hui (in her personal capacity and Kersey (in his personal capacity) 17 MR 134.*

Feel the Power

So that we may prepare for the hearing, please forward to me the contractor surveys and other information the Department of Labor relied upon in making the 2018 wage rate determinations. To the extent that the Department relied on information provided by the Laborers, please do not forward same at this time.

Thank you for your attention to this matter. Please contact me if you have any questions.

Best regards,
