Essential Personnel Contact List (Rapid Recall List)

The Rapid Recall Telephone Listing is a document that contains a cascade call list as well as other critical phone numbers and information. It is designed not to be cumbersome in order that COOP Team Members and Essential personnel have it on their person, in their car and\or at their home at all times. The Rapid Recall Listing will contain, among other items, a cascading phone list of COOP team members, essential staff, emergency personnel, and senior members of client agencies, and information regarding the alternate site.
