Applicant Eligibility

Local Governments:

Can apply to include all departments, or departments may apply.

Local Governments -
• Register as Sole Applicant
• Collect eligible expenses from subordinate departments

Example: County Applies for PA:
County collects documentation from:  
• Sheriff’s Office  
• County Health Department  
• County Contracted PNPs

County Distributes Funds

Individual Departments May Register if:
• Separate Eligible Work
• Meets $3300 Minimum Threshold

Example: All Apply Separately
County Applies
Sheriff’s Office Self Applies
County Health Department Applies
Each Documents & Submits Separately

Each Department Reimbursed Separately
Facility/Work Eligibility: PNP Applicants

Some PNPs may be eligible for FEMA assistance under COVID-19 declarations if they are legally responsible for performing emergency protective services.

PNPs that own or operate an eligible facility and perform eligible work, such as providing emergency, medical or custodial care services for which they are legally responsible in response to the COVID-19 incident, may be eligible for reimbursement of costs as a Public Assistance applicant.

For more information refer to the FACT SHEET:

Coronavirus (COVID-19) Pandemic: Private Nonprofit Organizations
Work Activity Eligibility

At a minimum, claimed Emergency Protective Measure work (also called “activities”) must meet each of the following criteria to be eligible:

- Required as a Result of the Declared Incident
- Located within the Designated Area
- Legal Responsibility of an Eligible Applicant

For more information refer to the FACT SHEET: Coronavirus (COVID-19) Pandemic: Eligible Emergency Protective Measures
Work Eligibility: PNP Applicants

Feeding Mission / Food Banks:

“To be eligible for PA, an item of work must be the legal responsibility of an eligible applicant. Measures to protect life, public health, and safety are generally the responsibility of state, local, tribal, and territorial (SLTT) governments. Legally responsible SLTT governments may enter into formal agreements or contracts with private organizations, including private nonprofit (PNP) organizations such as food banks, to purchase and distribute food when necessary as an emergency protective measure in response to the COVID-19 Public Health Emergency. In these cases, PA funding is provided to the legally responsible government entity, which would then reimburse the private organization for the cost of providing those services under the agreement or contract” (FEMA)
Work Eligibility: PNP Applicants

Feeding Missions:
State, Local, Tribal, Territorial Governments (SLTT) Responsibility

- PNPs **Cannot**
  1. Be Direct Applicant for Feeding mission
  2. Receive Direct Reimbursement from FEMA

- PNPs **MUST** Have Formal Agreement to Provide Services

What is NOT Eligible Under Category B

Although FEMA guidance on expense eligibility has evolved, there are some categories of expenses that are *not* eligible under Category B

- General operating expenses
- Expenses paid for with other federal funds (ex: CDC, HHS, CARES Act)
- Expenses not directly related to responding to COVID-19
- Lost revenues (ex: utility fees, local occupancy and prepared food and beverages tax revenues, sales tax revenues)
- Permanent work repairs (ex: fixing roads, repairing damaged facilities)
- Telework expenses (ex: laptops for your employees to work from home)
Category B: Emergency Protective Measures

Continue to Track ALL Expenses

- FEMA Guidance on Reimbursable Expenses Still Evolving
- Document ALL Expenses Now
  - Other Federal Disaster Relief Funds Might Cover Expense if FEMA Does Not (ex: HHS, CDC, Cares Act)
- Keep ALL Expense Related Records from Start of Event

NEW: FEMA

PA Eligibility – COVID-19 Events

- FEMA issued a new policy that became effective on September 15, 2020. For work completed between January 20, 2020 and September 15, 2020, FEMA will determine eligibility based on existing policy, *i.e.*, Public Assistance Program and Policy Guide (PAPPG) and the previously-issued guidance specifically for COVID-19.

- Not all costs associated with COVID-19 are eligible for FEMA PA funding.

 RESOURCE: FEMA_Policy_104-009-19_PA-eligibility-policy-covid_15SEP20
NEW:

Work Completed On or After Sept. 15th

  - Applies to work completed on or after September 15
  - **Note:** the key is the date the work is to be completed, not when supplies purchased
  - Only work associated with the performance of emergency protective measures specifically listed in this policy is eligible for PA in COVID-19 declared events.
NEW:

FEMA Policy FP 104-009-19, Cont.

• Examples of eligible costs from Sept. 15 going forward:
  • Medical care, in accordance with the COVID-19 Medical Care Policy FP 104-010-04
  • PPE for healthcare workers, patients and first responders, as well as PPE that is directly related to the performance of otherwise eligible emergency work
  • COVID-19 emergency operations centers
  • Non-congregate sheltering
  • Feeding limited to what is outlined in FEMA’s Purchase and Distribution of Food Policy FP 104-010-03
  • Mass casualty management
  • Communications to disseminate public health and safety information
  • Disinfection of facilities conducting other eligible emergency protective measures
NEW:

Work Completed Before Sept. 15th

- Guiding Documents:
  - PAPPG

- Emergency protective measures taken:
  - to address immediate threats to lives, public health and safety;
  - in response to COVID-19; and
  - at the direction or guidance of public health officials.
NEW:

Frequently Asked Questions:

- **PPE and Cloth Face Masks or Facial Coverings**
  - **PPE** – *Before and After Sept. 15th*: eligible for healthcare personnel, patients and first responders, and when necessary for the performance of otherwise eligible emergency work.

  - **Cloth Face Masks or Facial Coverings** – *Before Sept. 15th*: no eligibility; *After Sept. 15th*: eligible only when necessary to perform otherwise eligible emergency work.

- **Stockpiling PPE**
  - Stockpiling of *eligible* PPE is eligible under the new policy, but funding is limited to a supply that is projected for up to 60 days from the date of purchase.
**NEW:**

**Frequently Asked Questions:**

- **Disinfection Costs Under New Policy**
  - *After Sept. 15th* – measures such as disinfection, temperature scanning, temporary plexiglass barriers, cloth face masks, and security are *only* eligible when necessary to perform the otherwise eligible emergency work listed in the policy.
    - Costs must be above regular operating costs
    - Work should be carried out in accordance with CDC guidelines
  - Funding for disinfection of other facilities or for the resumption of regular operations is not eligible under the updated policy.
Frequently Asked Questions:

- **Disinfection Costs Under Previous Guidance**
  - *Prior to Sept. 15th* – extraordinary disinfection costs for an open, public or pnp facility, necessary to protect public health and safety in response to COVID19, and done in accordance with public health guidance may be eligible.
    - Costs must be beyond regular cleaning or janitorial costs
    - All work should be consistent with CDC or public health guidance

- **Ineligible Disinfection Costs:**
  - Disinfection of facilities that are closed or not in use
  - Disinfection of facilities that have been closed more than 7 days
  - Disinfection of outdoor facilities receiving direct sunlight
  - New technologies not included in CDC guidance
  - Stockpiling supplies
NEW:

Frequently Asked Questions:

- **Reopening of Schools**
  - The operation of schools and other public facilities, even with changes necessitated by the COVID-19 environment, are not emergency protective measures, and not considered immediate actions necessary to protect public health and safety. As such, FEMA PA does not provide funding for carrying out these activities.
  - Funding for PPE, cloth facial coverings, disinfecting and temperature scanning for the regular operation of schools and other public facilities is not eligible.

- **Lost Revenue**
  - FEMA cannot provide funding for revenue lost as a result of the disaster. See PAPPG at pg. 42
Category Z: Public Assistance Management Costs

May be claimed for administering and managing PA awards:

- For Recipients, up to 7% of the total award amount (based on actual costs)
- For Subrecipients, up to 5% of the Subrecipient’s total award amount (based on actual costs)

Documentation and Record Keeping

Stafford Act Section 705 - Imposes a three (3) year limit on FEMA’s authority to recover payments made to State, Tribal, or local government Recipients and Subrecipients unless there is evidence of fraud

- The Applicant must maintain all original documentation supporting project costs claimed
- The Recipient and the Applicant must keep all financial and program documentation for 3 years after the date of the Recipient’s final Financial Status Report (FSR)
- Records are subject to audit by State auditors, FEMA, the U.S. Department of Homeland Security Office of Inspector General, and the U.S. Government Accountability Office
Large vs. Small Projects

Project
• Documentation of Eligible Expenses
• Description of Work or Expenses
• Cost Estimate

Project Thresholds:
• Minimum Project Worksheet Amount: $3,300

Small projects: Less than $131,100
Large projects: Greater than $131,100
After a Subgrant is Awarded

After an initial subgrant has been awarded and obligated, FEMA will work with the Applicant to:

- Ensure federal laws are followed with all documentation
- Process requirements
- Update project information as needed before the grants are closed
Local CURE – DCEO – Reimbursement period is open!

- **Local CURE is a local government reimbursement program** for those located outside of the 5 collar counties (statutory prohibition). Costs must be incurred between March 1, 2020 and December 30, 2020.
- **Certifications must be returned to participate.** Roughly 35% have been returned.
- **Reimbursement requests are made within the program portal:** [https://dceocures.powerappsportals.com/](https://dceocures.powerappsportals.com/)
  - An invitation to the portal has been sent to the point of contact – we are seeing some confusion within local governments on this issue. In most cases confusion can be resolved by internal conversation with the certification’s point of contact.
- **The DCEO Local CURE webpage** at [https://www2.illinois.gov/dceo/Pages/CURE.aspx](https://www2.illinois.gov/dceo/Pages/CURE.aspx) has great information, including a program manual, webinar recordings, Q & A responses, presentation decks and past webinar video recordings.
- **The help desk is active** for the program. Once registered in the portal, click “contact us” for assistance or reach out to the Local CURE team via email at LocalCURE@crowe.com. We have responded to more than 500 e-mails and 70 help desk requests since the portal opened on August 24th.
Illinois Department of Commerce & Economic Opportunity’s Local CURE Support Program Overview

$280 Million in CARES Act Funding is Available to Support Local Government Units Across the State of Illinois!

Eligible local governmental units may participate in the Local CURE Program through the following steps:

1. CERTIFY: Complete the certification process for your local governmental unit with the DCEO Office of Grants Management Team. For details on the certification process, please contact David Parr at david.parr@illinois.gov. A unique certification identification number (or program ID) is assigned to your unit during this process.

2. REGISTER: Once a program ID is assigned, you will receive an email inviting you to register on the Local CURE Reporting Portal. Redeem the invitation by clicking on your local governmental unit’s unique URL. Through this email and link, you will access the Portal and set up a username and password to complete registration.

3. SUBMIT: Submit requests for reimbursement through the Local CURE Reporting Portal using your username and password on the Portal.

For more information, visit the Local CURE Reporting Portal FAQs or contact the Local CURE Support Team either through the Portal Help Desk or via email at LocalCURE@Crowe.com.

The Local Coronavirus Urgent Remediation Emergency (or Local CURE) Program (Section 3-10 of Public Act 101-001) is a support program for units of Illinois local government as defined by the Illinois Constitution.
