 - Adequate proof of age and identity of an individual in Illinois is a document issued by a federal, state, county or municipal government including, but not limited to, a driver's license, selective service card or an Armed Services identification card.
Note: All "Under 21" Illinois driver's licenses and identification cards are in a vertical design and include a red bar indicating the date of when the holder turns 21.

 - Illinois law prohibits any person under the age of 21 to possess, present or offer any written, printed or photostatic evidence of age and identity which is false, fraudulent or not actually his/her own for the purpose of ordering, purchasing, attempting to purchase or otherwise procure, or attempt to procure, the serving of any alcoholic beverage.
Penalty: Underage person's sentence includes at least a fine of \$250.00 or 25 hours of community service, preferably performed for an alcohol abuse prevention program.
- Additional penalties exist for fraudulently obtaining an Illinois ID card or an Illinois driver's license, and for knowingly allowing another to use identification documents for an Illinois driver's license or ID card.

Remember: When in doubt about a customer's age, carefully checking identification is the most direct way to prevent illegal underage sales of alcoholic beverages.
