Delinquency List

Temporary Action: Until Phase 5 of the Governors Restore Illinois Plan, licensed distributors and licensed retailers may enter into payment plans to pay an existing debt on a sale or sales of wine and spirits occurring between October 1, 2020 and November 15, 2020. All payment plans shall be active requiring regular payments. If a retailer is participating in an active payment plan for qualifying debts, they shall not be reported delinquent. Distributors shall offer payment plans to all similarly situated retailers and shall not base the offer of a payment plan on the amount of existing debt or the average volume of retailer purchases. Payment plans are only permitted under guidelines stated herein.
