2 WEEKS READY

Gather Your Emergency Information

IMPORTANT PHONE NUMBERS

This might seem unnecessary — but how many phone numbers do you actually have memorized?

FRIENDS, IMMEDIATE FAMILY MEMBERS, AND OUT-OF-AREA CONTACTS:

1. (NAME) | (PHONE)
2. (NAME) | (PHONE)
3. (NAME) | (PHONE)
4. (NAME) | (PHONE)
PUBLIC SAFETY LOCATIONS

Whether you need help during a disaster or not, knowing who provides your home with safety services is important. Public safety locations can be a centralized location for information and support for your community.

**FIRE STATION**
Address: ______________________________________
_______________________________________________
Phone number: _________________________________
Total miles to station: __________________________
Potential route hazards: _________________________

**POLICE STATION**
Address: ______________________________________
_______________________________________________
Phone number: _________________________________
Total miles to station: __________________________
Potential route hazards: _________________________

**MEDICAL FACILITY**
Address: ______________________________________
_______________________________________________
Phone number: _________________________________
Total miles to station: __________________________
Potential route hazards: _________________________

**COMMUNITY GATHERING POINT**
Address: ______________________________________
_______________________________________________
Phone number: _________________________________
Total miles to station: __________________________
Potential route hazards: _________________________
ALTERNATIVE ROUTES TO WORK

CURRENT ROUTE HOME: ________________
____________________________________
Total miles: _______________________
Potential hazards for route: __________
____________________________________

ALTERNATIVE ROUTE #1: ________________
____________________________________
Total miles: _______________________
Potential hazards for route: __________
____________________________________

ALTERNATIVE ROUTE #2: ________________
____________________________________
Total miles: _______________________
Potential hazards for route: __________
____________________________________

To help find routes and methods home, the following resources may help:
