The Statewide Terrorism & Intelligence Center's (STIC) School Safety Information Sharing Program is designed to identify the information needs of school and campus safety officials and ensure timely and wide dissemination of actionable intelligence that is tailored to the protection of these communities.

The program goal is to aid in school safety efforts through sharing information from local, state and federal agencies with at least one person in every school and campus in the State of Illinois.

Target Members:

- Administrators or those in charge of making safety decisions in schools and campuses
- Sworn Police Officers involved in School and Campus safety

Members have access to:

- Contact with a dedicated K-12 and campus intelligence officer
- For Official Use Only (FOUO) information for those who "need to know" to help aid in school and campus safety
- Law Enforcement Sensitive (LES) information directly to their email related to school and campus safety (Sworn Law Enforcement Officers Only)
- Newsletters outlining trends in Illinois and throughout the U.S., free school or campus safety training, and other material to help make better safety decisions and improve safety
- Monthly webinars starting August 2013

STIC is the State of Illinois' designated fusion center, which is a collaboration of state and federal governments created to look at all crimes and all hazards in order to protect the public. STIC has been fully functional since May 2003 as one of the first 365 days a year, 24 hours a day, and 7 days a week state fusion centers to emerge after the September 11, 2001, terrorist attacks.
