Multiple Illinois & Nationwide Positions Available

Good Work/Life Balance

Extensive Travel Opportunities

Position Requirements:

A Revenue Auditor Trainee is a full-time position with benefits, an annual starting salary of \$42,528 to \$60,012, and a career salary of \$103,440 per year. The position requires a degree in accounting, business administration, or finance with a minimum of 21 semester hours of progressive coursework in accounting, and additional coursework in management, business administration, computer science, economics, and statistics.

To apply, please monitor the Illinois Department of Revenue postings. Once a position posts, mail a signed copy of your completed CMS-100 to the agency contact listed on the posting. You may also fax your completed and signed CMS-100 to the fax number provided on the posting.

To sign up for job alerts, email REV.IDORCareers@Illinois.gov.
