Taxpayer Assistance Student Internship

No Tax Experience Required

Paid Internship

Develop valuable skills

Position Requirements:

A Taxpayer Assistance Student Internship is a part-time paid internship. The position requires that the student be enrolled in college coursework for the upcoming semester. The interns will receive classroom training and on-the-job coaching regarding the application of tax laws, Federal and State confidentiality policies, techniques to research tax accounts, and methods of assisting a diverse client base. Interns will develop valuable public communication, legal interpretation, and analytical skills that can be beneficial in future employment.

To apply, please monitor job postings at work.illinois.gov. When the position posts on that website, students should submit a completed and signed CMS-100 application using the contract information on the posting notice.
