

General Information

Who must file this return and when is it due?

You must file Form RMFT-5-US-X to correct your original return, to correct your previously filed amended return, or to claim credit for overpayment of underground storage tank tax (UST) and environmental impact fee (EIF).

You must file a separate amended return with supporting schedules and documentation for each reporting period affected by a correction or credit.

What penalties may I owe?

You owe a **late-filing penalty** if you do not file a processable return by the due date, a **late-payment penalty** if you do not pay the tax/fee you owe by the date the tax is due, and a **bad check penalty** if your remittance is not honored by your financial institution. Interest is calculated on tax from the day after the original due date of your return through the date you pay the tax/fee. We will bill you for penalties and interest. For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes, available on our website at tax.illinois.gov.

How do I file my return?

For all reporting periods December 2015 and after, you must electronically file your return and pay tax using MyTax Illinois, available on our website at tax.illinois.gov. When you file your return electronically, your schedules also must be filed with your return in MyTax Illinois. You have two options to file your schedules within MyTax Illinois:

Specific Instructions

Line 9a - The loss amount you may claim on Line 9a is **limited**. For periods beginning on and after July 1, 2001, the limit is figured based on returns filed for the liability periods of January through June and separately for July through December of each year. The net loss is limited to 1 percent of the total gallons in storage at the beginning of each six-month period, plus the receipts of gallonage for each six-month period, minus the amount of storage at the end of each six-month period. **Any loss exceeding the 1 percent limit is subject to the Underground Storage Tank Tax and Environmental Impact Fee.**

Line 10 - Add Lines 6a through 9b. **Note:** Line 9b is a negative field.

Line 12 - In Column 1, enter the total number of gallons of gasoline and special fuel you purchased UST- and EIF-paid. In Column 2, enter the total number of gallons of other fuels you purchased UST- and EIF-paid.

Specific Instructions

If you are **increasing** the amount of tax and fee due, you **may not** increase the amount of your discount **unless** the increased tax and fee due is paid on or before the due date of the original return.
