

ST-13-0065 – GIL 10/22/13 SERVICE OCCUPATION TAX

If no tangible personal property is transferred to the customer, then no Illinois Retailers' Occupation Tax or Service Occupation Tax would apply. See 86 Ill. Adm. Code Parts 130 and 140. (This is a GIL.)

Dear Xxxxx:

This letter is in response to your letter received on March 26, 2013, in which you request information. The Department issues two types of letter rulings. Private Letter Rulings ("PLRs") are issued by the Department in response to specific taxpayer inquiries concerning the application of a tax statute or rule to a particular fact situation. A PLR is binding on the Department, but only as to the taxpayer who is the subject of the request for ruling and only to the extent the facts recited in the PLR are correct and complete. Persons seeking PLRs must comply with the procedures for PLRs found in the Department's regulations at 2 Ill. Adm. Code 1200.110. The purpose of a General Information Letter ("GIL") is to direct taxpayers to Department regulations or other sources of information regarding the topic about which they have inquired. A GIL is not a statement of Department policy and is not binding on the Department. See 2 Ill. Adm. Code 1200.120. You may access our website at www.tax.illinois.gov to review regulations, letter rulings and other types of information relevant to your inquiry.

The nature of your inquiry and the information you have provided require that we respond with a GIL. In your letter you have stated and made inquiry as follows:

I am requiring [sic] about whether we should charge our clients tax on the following items, please see enclosed brochure (our set selling price will be \$199). Thank you for your assistance awaiting you [sic] reply in writing

DEPARTMENT'S RESPONSE:

Retailers' Occupation and Use Taxes do not apply to sales of service. The Service Occupation Tax Act and Service Use Tax are imposed on the transfer of tangible personal property incident to sales of service. 86 Ill. Adm. Code 140.101 and 160.101. However, if no tangible personal property is transferred incident to a sale of service, the Service Occupation Tax and Service Use Tax do not apply.

If the program you are inquiring about does not involve the transfer of any tangible personal property to the customer, then it generally would not be subject to Retailers' Occupation Tax, Use Tax, Service Occupation Tax, or Service Use Tax.

I hope this information is helpful. If you require additional information, please visit our website at www.tax.illinois.gov or contact the Department's Taxpayer Information Division at (217) 782-3336.

Very truly yours,

Richard S. Wolters
Associate Counsel
