INFORMATION BULLETIN FY83-14

TO: Illinois Tax Practitioners

SUBJECT: Corrected Information for Illinois Income Tax
Forms/Instructions

INSTRUCTIONS FOR PRE-PRINTED FORM IL-1040-ES

The instructions for the pre-printed 1983 Form IL-1040-ES are incorrect because contrary to the instructions there is no box on vouchers 2,3, or 4 for indicating when an amended declaration is being filed.

The current instructions now INCORRECTLY read as follows:

How To Amend Form IL-1040-ES

1. Enter the revised amounts of estimated tax and payment on the next voucher and check the box that indicates you are filing an amended declaration.

The revised and CORRECTED instructions should read:

How To Amend Form IL-1040-ES

1. If you do amend your declaration complete the "Amended Computation" Worksheet and enter the revised amount of estimated tax and amount of payment on the next voucher due and remit a payment, if required, with the vouchers, when due.

INSTRUCTIONS FOR IL-1041 AND IL-1041 SCHEDULE F

Page 4 of the IL-1041 Instructions and page 4 of the IL-1041 Schedule F Instructions were inadvertently interchanged. Please find enclosed the corrected copies of each instruction.

Additional copies of the instructions can be secured by writing the Illinois Department of Revenue, Post Office Box 3545, Springfield, Illinois 62708. As always, reproduction of the enclosed instructions is permitted.
