INFORMATIONAL BULLETIN FY86-17

TO: All Registered Automobile Renting Taxpayers
SUBJECT: Change in Tax Rate

NEW RATE

The state tax rate of the automobile renting tax increases from 4 percent to 5 percent on September 1, 1985. The municipal and county tax rates will not change. Continue to calculate your local tax liability based on the ordinance enacted by your local government.

TAX RETURN

The tax return you have now (Form ART-1) does not reflect the new rate. In the interest of economy, we are going to use our existing supply of forms. We will be printing the new rate on the front, but the instructions on the back will show the old rate.

Regardless of the rate printed on your return, please remember to figure your state tax at the new rate for all tax liability which you incur on and after September 1, 1985.

If you have any questions or need more information on this rate change, please contact us, using the address or telephone numbers listed above.
