INFORMATIONAL BULLETIN FY87-1

TO: All Retailers Located Within the Corporate Limits of the
City of Ottawa and the Unincorporated Areas of LaSalle County

SUBJECT: Enterprise Zone Act
Public Act 82-1019 (SB 1299)
Public Act 84-221 (HB 833)

If your business does not sell building materials, please disregard this
bulletin.

The Illinois Department of Commerce and Community Affairs has certified an
area in the city of Ottawa and the unincorporated area of LaSalle County as
an enterprise zone in accordance with the provisions of Public Act 82-1019.

Each of these local taxing jurisdictions has adopted an ordinance providing
a sales tax exemption of state, local, and county supplementary taxes on
certain sales of building materials which will be incorporated into
commercial, industrial, or manufacturing real estate in the Ottawa and
LaSalle County zone.

To be eligible for the sales tax exemption you must:

1. Be located within the corporate limits of Ottawa or the unincorporated
area of LaSalle County.
2. Make a sale on or after July 1, 1986 of building materials which will
be incorporated in commercial, industrial, or manufacturing real estate
in the zone by means of remodeling, rehabilitation, or new
construction.

Note: The building improvement must be of the nature and scope for which a
building permit is required by the building code. To verify exemption, the
purchaser must provide you with a copy of the building permit and a signed
statement indicating the address in the enterprise zone at which the
building materials will be incorporated. See reverse side for an example
of a Purchaser's Statement.

3. Report gross receipts from these sales in item 1 of your sales tax
return (Form RR-1-A).
4. Deduct the receipts in item 13 or 14 and identify the deduction as
"Enterprise Zone Sales."
