INFORMATIONAL BULLETIN FY87-4

TO: All Retailers Located Within the Corporate Limits of the  
City of Nashville and the Unincorporated Area of Washington  
County

SUBJECT: Enterprise Zone Act  
Public Act 82-1019 (SB 1299)  
Public Act 84-221 (HB 833)

If your business does not sell building materials, please disregard this  
bulletin.

The Illinois Department of Commerce and Community Affairs has certified an  
area in the city of Nashville and the unincorporated area of Washington  
County as an enterprise zone in accordance with the provisions of Public  
Act 82-1019.

Each of these local taxing jurisdictions has adopted an ordinance providing  
a sales tax exemption of state, local, and county supplementary taxes on  
certain sales of building materials which will be incorporated into  
industrial, commercial, or residential real estate in the zone.

To be eligible for the sales tax exemption you must:

1. Be located within the corporate limits of Nashville or the  
unincorporated area of Washington County.
2. Make a sale on or after July 1, 1986 of building materials which will  
be incorporated into real estate in "your" zone by means of remodeling,  
rehabilitation, or new construction.

Note: The building improvement must be of the nature and scope for which a  
building permit is required by the building code. To verify exemption, the  
purchaser must provide you with a copy of the building permit and a signed  
statement indicating the address in the enterprise zone at which the  
building materials will be incorporated. See reverse side for an example  
of a Purchaser's Statement.

3. Report gross receipts from these sales in item 1 of your sales tax  
return (Form RR-1-A).
4. Deduct the receipts in item 13 or 14 and identify the deduction as  
"Enterprise Zone Sales."
