RE: County Supplementary Sales Tax

On July 1, 1987, seven more counties will be imposing the 1/4% county supplementary sales tax, and one county (Jefferson) will be expanding its county supplementary tax to include the supplementary use tax. You must collect the tax if you are located within the boundaries of any of the affected counties, even if you are located within an incorporated municipality.

To figure the tax, see the instructions for line 50 on your sales tax return, Form RR-1-A.

On the back of this bulletin you will find a list of all the counties which have imposed the county supplementary tax. The "new" counties appear in boldface type.

If you have questions or need more information, please call or write us. Our address and telephone numbers appear at the top of this bulletin.
